## Jurisdiction & Applicable Rules

This policy is governed by the Missouri Workers' Compensation Law (RSMo Chapter 287). Utilization review of medical treatment shall follow the Missouri Division of Workers' Compensation treatment guidelines. Where no state-specific guideline exists, ODG (Official Disability Guidelines) or MCG Care Guidelines may be used as reference standards for medical necessity determination.

## Pre-Authorization Requirements

- Inpatient surgical procedures require pre-authorization at least 5 business days prior to scheduled date.
- Durable medical equipment (DME) over \$500 requires pre-authorization.
- Physical therapy beyond 12 visits per injury requires clinical review and re-authorization.
- Advanced imaging (MRI, CT) requires pre-certification unless ordered in an emergency department.
